Costa Rose Inc. Ignites Passion for Healthcare with Interactive "Hands On Health" Youth Event

Flint, MI – Costa Rose Inc. warmly invites the community to the "Tomorrow's Healthcare Heroes: Hands On Health - Careers in Phlebotomy, EMT & Paramedics" event, scheduled for December 14, 2024, from 1 PM to 3 PM at New Standard Academy. Designed for young individuals aged 12-18, this event is an ideal venue for those interested in exploring dynamic careers in emergency medical services.

Event Details:

- **Date: December 14, 2024**
- **Time: 1 PM - 3 PM**
- **Location: New Standard Academy, 2040 W Carpenter Rd, Flint, MI 48505**
- **Admission: FREE with light refreshments served**
- **Registration: Online at [Costa Rose Events](#) or [Costa Rose Registration](#)**

Featured Guest Speakers:

- **Kentrail Phipps**, a dedicated Firefighter EMT with the City of Flint, will share his front-line experiences and the essential skills required for emergency medical services.
- **Kwame Hogan**, Battalion Chief at the City of Flint Fire Department, will discuss the strategic and operational aspects of emergency management, emphasizing leadership in crisis situations.
- **Cicily Muhammad**, CEO of Stress Free Mobile Labs LLC, revolutionizes patient care by providing mobile lab services directly to homes and offices. Born and raised in Flint, Cicily brings her unique perspective on making healthcare services less intimidating and more accessible. Her dual role as a professional celebrity makeup artist and the owner of FanCee Charcuterie LLC also highlights her diverse skill set and entrepreneurial spirit.

Why Attend? This event offers an unparalleled opportunity for attendees to directly engage with professionals across various sectors of healthcare and emergency services. Participants will gain valuable insights into educational pathways and the requisite skills for pursuing careers in these vital fields.

Costa Rose Inc. is dedicated to nurturing the next generation of healthcare professionals by providing educational experiences that address the current and future needs of the healthcare workforce.
